Trakehners UK Trakehners UK is the marketing name of the Trakehners Breeders' Fraternity. The TBF is a fully contracted daughter organization of the Trakehner Verband in Germany set up as a Company Limited by Guarantee and is therefore essentially owned by its members.

The TBF is the only UK body licensed to register, grade and brand pure bred Trakehner horses for inclusion in the Main Trakehner Studbook. Part bred Trakehners may also be registered with and branded by the TBF.

The TBF is also an official Passport Issuing Authority registered by DEFRA.

If you would like to join the TBF, please contact the Membership Secretary, or download a membership form from the web site.

## **Report from your Chairman** - Susan Attew

Dear Members

After the wettest summer on record causing delays with haymaking we are now enjoying a beautiful September which started with a great weekend for our annual grading and show. I was proud to see such a quality of horses forward but disappointed at the lack of entries. I do hope that next year we can encourage more members to bring their horses to show off at the show. We have been approached by other warmblood societies to consider having a shared show (the grading would still be kept as a Trakehner only event) so that a bigger better show can be held and the costs shared. This will be discussed at the Members meeting after the AGM on 17th November 2012 if you have an opinion please join us.

Your AGM documents are enclosed with this newsletter, please don't forget to let me know if you are able to attend in order that I can plan the catering for lunch. Nominations, Issues and resolutions need to be sent to me no later than 31<sup>st</sup> October 2012 please.

[chairman@trakehners.uk.com](mailto:chairman@trakehners.uk.com)

Wishing you all well with your wonderful Trakehner horses.

## Marketing Director's Report - Marion Fuller

I think this has not been an easy year for breeders and competitors alike.

Rising costs, and in particular fuel costs have made it expensive to get your horses out there. Bad weather has forced cancellations.

The numbers of foals registered this year are many fewer than previous years, and the disappointing entries at the show this year, are all indicators of the present hard times. Things can only get better.

We have promoted our stallions and had some good advertisements including a double page spread in British Breeder, which was handed out free of charge at all BEF Futurity venues, therefore being seen by the audience it was intended for i.e. breeders of top quality Sport horses.

We have a full page add again in British Breeder magazine, that is being distributed at HOYS and hopefully breeding optimism will increase for 2013. It would be good to see you all at the AGM, giving you all a chance to express your views and concerns for the future

## Full Bred Foals registered to date in 2012 – Terry Hyde

1. **Lustre.** Bay Filly Born 15/072011 ( late registered this year) by Elitaer X Bluewood Lalique x Ivernel. Owner Breeder: Mrs Penny Jenner Beacon Stud.

### **Show Report**

Trakehner UK annual Grading and Show, was held at The College Equestrian Centre at Keysoe on 1<sup>st</sup> & 2<sup>nd</sup> September 2012. It was a successful and relaxed weekend and the weather was kind.

Despite entries being down on previous years, the judges, including two from the UK two from The German Verband and one from Danish Trakehners, were

delighted at the high quality of horses entered. Of eight mares presented for grading four were awarded premium marks, with the Mare Grading Champion Ulana by Chabrol achieving an impressive 57 points. She also went on to be Reserve Champion

of the Mare Performance Test and Mare Champion on the showing day.

It was also very encouraging for the breed that the stallion Godington Utah by Contis was approved for breeding.

Brood Mares young stock and riding horses in the showing classes, were also of high quality, and the Breed Society policy of a strictly monitored closed stud book is clearly paying dividends.

The winner of the TBF Senior Bursary of £500 training fees was Joanna Jones with her horse Holme Grove Devinci by Holme Park Krug. This partnership won the Free jumping Championship, Riding Horse Championship, 2<sup>nd</sup> Reserve Supreme Champion and Reserve Best British Bred Champion.

Reserve Supreme Champion and Best British Bred of the weekend was the Champion foal, Woodcroft Noah by Garuda K.

The mare performance Test Champion was the stunning black mare Hollywood Dream by Instenberg. She went on to take Supreme Champion title.

All the results from the weekend including Bursary winners can be seen by visiting [www.trakehners.uk.com](http://www.trakehners.uk.com)

## **Bursary Winners – Amy Furness & Jo Jones**

### **Amy Furness - Landmark Abacus - Junior Winner.**

My name is Amy Furness, I am 19 years of age and a student at the Royal Agricultural College in Cirencester studying Equine Management. My horse, Landmark Abacus, is a 16.3, 7 year old Trakehner x Thoroughbred.

We are currently eventing at Novice level and are working towards our first CCI\* at Hartpury in August and then looking to make the transition up to Intermediate level before the end of the season.

I have owned Baby (Landmark Abacus' stable name) since a 3 year old and he has not been the easiest horse throughout our eventing career, experiencing more downs than ups in the dressage phase. He has a lovely nature and is always trying his hardest to please but his weak frame and excitable attitude usually meant our dressage scores were the worst on the score board. However,

during our eventing season in 2011, he injured himself and ruptured his tendon sheath resulting in a 7 month break.

Since then Baby has returned to work with a better attitude, a stronger frame and is overall a more grown up horse. This has improved our dressage scores incredibly and made our 2012 eventing season much more enjoyable. Our best dressage score at Novice level is 32 and after watching the video of this test I can see that there are still so many ways in which we can improve which is rather exciting! The show jumping phase has always been slightly tricky due to his enthusiasm for jumping; meaning that sometimes he can be careless over jumps that he doesn't have to think about (less than 1.20m in height) however the cross country has always been his forte as he has gone clear every single time without fail since our eventing career began. Baby has so much scope and potential and I love competing him and working towards new goals however as a combination we need much more coaching and direction to enable us to reach our full potential! I believe that because Baby is finding the jumping phases at Novice level easy, the step up to intermediate level and ultimately to advanced will not be too much of a challenge and I feel with a little more training we will have many great successes in the future at the higher levels.

Our best results to date have been at the beginning of this eventing season where at Belton Park, all three disciplines went well on the day and we ended up in 3rd place! I was also proud of our result at the following event at Weston Park where even though our dressage was the worst on the scoreboard; We were the only ones to finish on our dressage score meaning we came 6th. Unfortunately after this all of our other events have been abandoned due to bad weather but our next event will be Hartpury which we are very much looking forward to!

To be considered for the bursary would be an amazing opportunity and the money would help massively towards costs of training and entry fees in order to give Baby and I the best chance in our eventing career and help to give Trakehners the recognition they deserve as outstanding competition horses. Since owning Baby, I have decided that in the future I will no doubt be investing

in other Trakehners to produce and compete – They are undoubtedly the best breed I have come across yet!

## **Jo Jones Holme Grove Devinci - Senior Winner.**

Holme Grove Devinci aka 'Vinnie'. I found 'Vinnie' through a chance phone call to advanced eventer Andrew James, I rang to enquire about another horse he had for sale but after telling him about myself, riding achievements, likes/dislikes, my love of my currently in foal horse Star Wars, her talent, temp, and looks (that I attributed to the Trak blood as she is part-bred) along with my goals for competing again in all disciplines we decided that the horse I had initially rang for wouldn't fit the bill.

I was looking for a horse to step into big hoofprints left by Star, I wanted a horse that would be a 'best friend' and a competitive 'competition' animal. Andrew recommended I tried Holme Grove Devinci as he felt that although he hadn't had a lot of experience he would be the perfect 'partner' for me to bring on.

Vinnie is an amazing pet and friend on one side as well as a hugely competitive competition horse across all disciplines on the other. Vinnie is very handsome - he has amazing presence and wants to be noticed. He is inquisitive and bold by nature and this shines through his rapid progression in show jumping and eventing with me an amateur rider!.

With so much talent in his movement and jumping combined with his stunning looks everybody imagines he must be a handful to compensate it but, it couldn't be further from the truth he is the most adoring, kind, gentle, and cuddly horse that is ever so keen to please and is desperate to be your best friend. He is extremely well mannered, trainable, intelligent, and has an amazing work ethic - capable of a quiet hack (any, and everywhere!!) or to go to the big competition and win for you!

I have owned Vinnie for just over 4 months now and have earned the following achievements

Area 18 Senior Novice dressage team = Placed 1st in arena -qualifying us as an individual for Lincoln championships, team placing 3rd

Area 18 Senior Novice Horse Trials team (Swalcliffe BE90 course) = Placed individually 3rd overall, 29dressage, double clear 'in time', Team 11th -1 member eliminated others had xc faults+ time

Badminton estate inter riding club dressage challenge = Overall individually 2nd in arena, 1st placed team member (team of 4) which qualified us to ride another test head to head with all the other team 1st's (i had 10mins to learn this new test) = 7th -(2 judges 1 placed us 2nd the other 12th)

Local showing = 3rd riding horse -recommended to enter 'hack' class, 3rd P7, 5th P10,

BE 90 = 4 competitions completed, dressage scores as low as 20's and a 4th placing qualifying for 1 regional final Aug 2012

BSJA BN (on ticket) 1 pole only in several rounds -never stops very careful/bold - may affiliate for winter

BE100 = 2 competitions completed, dressage low/mid thirties, exc SJ, superior speed and boldness xc just need a little more experience and getting near to top10 placing

British riding clubs national championships at Lincoln = 1st in arena!!

Next goal is to affiliate British Dressage and compete at Novice and earn some BD points -and, maybe a place at the Novice champs!

Hope this is ok/what you were looking for!

Thanks, Jo

## Thank you from Jo

For those of you who didn't meet me at the Annual Trakehner Breeders/owners show, My name is Jo Jones and I have great pleasure in owning my first 'full' breed Trakehner horse called 'Holme Grove Devinci' aka Vinnie -he is an (obviously stunning) and athletic 16'2" chestnut gelding bred out of Holme Park Krug, that I mainly compete at British Eventing with!

2012 has been 'exceptional' on the horse front -2011 however was not so great - we had our first foal from our part-bred Trakehner 'Star' (grandsire Muschamp Danube) sired by Grafenstolz due April and it very sadly died at birth :-(-which, was of course heart-breaking. So, this year being such a turnaround being packed full with so much success is truly amazing.

I entered Vinnie and myself into the Trakehner Breeders 'Training Bursary' competition back last year, and since initial entry have been continuously updating my entry as our plans have come together and the goals realised!!

I didn't think I would win the Bursary so, was totally overjoyed to find that I had, and that if I liked, I could be presented with my prize at the TBF Annual show!!! wow, I thought, I just couldn't believe it, I was absolutely thrilled ..I would definitely be attending the show -what a prize -exceptional, -what a fantastic idea -surely born out of love for the breed and to help the people whom support it, -it is something so kind that truly makes a difference...Thank you wonderful Trakehner Bursary Sponsors xxxxxx!! I am now busily planning my extra training sessions and feel a real sense of pride when Vinnie and I wear my additional prizes ...a beautifully embroidered Trakehner saddlecloth and fitted polo shirt :-)  
xx

I have never competed in showing and so to attend the TBF Annual show was something new to the horsey calendar, I was unfamiliar with formats or etiquette and so the show being so friendly mean't that after ..rather a few questions (Thank you Sally, Janice, Tanja, Michelle, Nicky, Jo, and Freda!!) I soon

picked up the ropes and settled in to what was a fantastically enjoyable not to mention, a very successful weekend indeed!

The show was held at Keysoe Equestrian Centre which, for me living in Gloucestershire with my partner Paul worked out around a 3hr drive, so, to make the most of the experience I booked 'Vinnie' a stable for the night and Paul and I stayed in our trailer!!

I entered Vinnie into 3 classes -the free jump, the 'in-hand', and the 'ridden' riding horse -Vinnie behaved impeccably and excelled himself -he seems to always be 'smiling' (as I am told) and he also just loves to be the centre of attention -which I know!! ...these are two most excellent attributes for 'showing' and a 'smiley' happy horse with ring 'presence' meant we were absolutely astounded to be rewarded with 3 wins out of 3 classes -it was just amazing!!...I couldn't believe it, we were totally exstatic!!

The show was so well organised the classes ran to schedule. The venue had great food available all day long as well as very nicely presented and maintained facilities. The horses attending the show were markedly exceptionally well groomed and turned out and to have a stable full of Trakehners was something really quite special...the chorus of neighs from the 'vocal' Trakehners every time someone entered or left them was so funny.....even if you are a member who does not want to 'show' -(although as me you might be pleasantly surprised!) - the event is still so well worth attending to see these wonderful horses together and to have a chat with other Trakehner breeders and owners...wts!!

## **Hollywood Dream** – Tabitha Perry

I bought Hollywood Dream (Lolly) as a foal in 2006 from the Hengstmarkt held at Neumunster. This was following my adoration of a Trakehner mare I own by Kostolany who I bought after I said I did not want a pure bred Trakehner or a mare!

Before travelling to Germany I had received the catalogue and had already ruled her out due to her name. Once at Neumunster I viewed all the horses for sale

and after speaking to the vet I drew up a list of horses I was interested in order. My first choice was a 2 year old mare called Gute Nacht by Buddenbrock who was of interest to me over Hollywood Dream as she was already older and had a better name! After viewing Lolly she became my second choice, due to her scope of movement and athleticism. Her breeding was of interest to me also as her sire E.H.Insterburg TSF was already a proven and successful dressage horse under Carola Koppelman.

Insterburg was the only premium stallion at his licensing in 2002 and Champion of his 70-day performance test with a final score of 131.13 points and 135.81 points for dressage. He was Trakehner Federal Champion in 2003 and 2004. In 2005 at the age of 5 E.H.Insterburg TSF was Bronze medalist at the World Championships and the Bundeschampionate. Since this time he has gone on to be successful at Grand Prix.

My third choice was the first to auction so I let her go. We bid on Gute Nacht but after seeing Tony and Sarah Pidgley and Gestuet Wiesenhof both bid I realised she would go for an inflated price so I pulled out. I was very pleased when I secured Hollywood Dream and then having the chance to see Gute Nacht at a later year I was further pleased with the outcome.

Lolly remained in Germany for a further month to settle after the auction and also to be weaned. I had arranged for a transport company to pick up Lolly with two other horses in a private load to cut down her travelling time. They picked her up in the morning and she was with me by the afternoon in perfect condition. A few days before picking up Lolly her Owner and Breeder Jurgen Schultzke died his wife Claudia was very emotional during this period and was very upset to see her go under these circumstances.

Lolly spent the next three years grazing in a herd during the summer and stabled of a night during the winter. She was very easy to break in, as she got older and stronger she became at times a little too athletic!

I have trained with Ulla Salzgeber since 2006 and train Lolly with her now. Ulla absolutely adores her and believes in her ability to become a successful dressage horse. The Performance Test this year was our first ridden show the only other time she has been to a show is in hand at her mare grading in 2010 where she became Mare Grading Champion. I was very pleased with how she coped at the show and this has given me further focus and determination for our future career.
